

## About The Business Journals

**The Business Journals** is the premier media solutions platform for companies strategically targeting business decision makers. We deliver a total business audience of over 10 million people via our 42 websites, 62 publications and over 700 annual industry leading events. Our media products provide comprehensive coverage of business news from a local, regional and national perspective. We have more people, publications and websites covering our nation's business than any other business media organization.

**The Business Journals** are a division [American City Business Journals](#).
